

# 2 WAYS TO CLAIM

SEE BELOW FOR THE STEPS TO CLAIM CREDIT IN CLOUDCME

The two methods that you can use to claim credit for your course are listed below.

Please use only one option for each activity you attend.

Please claim credit the same day that the activity ends.

## CLOUDCME APP

Download the app, Instructions via:  
[cloudcme-app](#) **ORG ID: UofUHealth**

**Open the app**, login. You may be prompted to update or create your profile. Instructions here: [CloudCME Profile](#)

Click to **Claim Credit**. Enter **83224**. Click Submit. Check the Attestation "yes" box, sign and **Claim Credit** (top right). Or open the app, scan the QR Code on Scan Attendance, click submit. (Use the camera in the app; not your phone's camera).

Go to **My Evaluations** to complete the short evaluation for the course. Your certificate is now available in the **My Certificates section**. You should also receive a copy of your certificate in your email.

## WEB BROWSER

Go to: [UofUHealth.cloud-cme.com](http://UofUHealth.cloud-cme.com)

**Sign in** (top left). You may be prompted to update or create your profile. Instructions here: [CloudCME Profile](#)

Select **MyCME** then **Claim Credit**. Enter **83224**. Click **Submit**.

Check the Attestation "yes" box, sign and **Claim Credit**.

You should be redirected to **complete the short evaluation**.

Go to **MyCME > Evaluations & Certificates for your certificate** to save or print. If you get interrupted, or not redirected, you will also see "Complete Evaluation" here. Click to complete, then you'll see your certificate.

**\*\*Physicians should claim only the credit commensurate with the extent of their participation in the activity\*\***
